Departmental Highlights

1. Frequently organizing cadaveric workshops since 2016 covering Head and Neck Surgery, Basic Endoscopic Sinus Surgery, Temporal Bone Dissection and Oro-maxillofacial surgery regions.
2. Proactively providing clinical and surgical services at several clinics and hospitals e.g. ENT Clinic (IIUMMC), Audiology Clinic (Kulliyah of Medicine), Speech Clinic

(Kulliyah of Medicine), OT ENT (IIUMMC), IIUMSC, HTAA, HOSHAS, Hospital Pekan.

3. Organized a seminar on Autism Spectrum Disorder (ASD) entitled AUTISM: They Need You, Me and Us in the main Auditorium, IIUM Medical Centre (IIUMMC) on 28th – 29th November 2016. This program is aimed to empower the caregiver and healthcare professional on the ASD detection and management.
4. Organized a subject matter exchange (SMEE) talk with US Navy in conjunction with US Navy's Pacific Partnership '16 and visit to USNS Mercy Hospital Ship on August 9th, 2016. This program is a knowledge exchange program on Hearing Conservation Program onboard the ship.
5. Actively engaged with the public with hearing community (HCS) services throughout Pahang and the east coast region. For the program, the clinic collaborated with other professional bodies i.e Malaysian Medical Association (MMA), Jabatan Kemajuan Orang Asli (JAKOA), Jabatan Kesihatan Negeri Pahang (JKNP), and other NGO as well.
6. Hearing Conservation Program (HCP) for the Industrial client
