PERSATUAN SENI SILAT CEKAK MALAYSIA INTERNATIONAL ISLAMIC UNIVERSITY MALAYSIA

Introduction

Martial arts are codified systems and traditions of combat practices, learned mainly to protect ourselves from enemy. Silat as Malay martial art is a precious knowledge inherited from our great ancestor who had developed a great civilization long time ago. Recently, our Prime Minister officially announced Silat as the national martial arts. This is the indicator that prove Silat is a high quality martial art and will give many benefits to the development of our society and beloved nation.

Seni Silat Cekak will correct our community perceptions on Silat because it teaches good things and moral values. Moreover, Seni Silat Cekak is free from any superstitions. Seni Silat Cekak trains its practitioners the art of defensive that promote disciplines and incorporates components such as having good judgments, practicing physical movements, patience and composure as well as staying humble. Besides, this society has organized variety programs to help enhancing students' soft skills, social skills as well as developing leadership quality.
